In the fall of 1949, I cracked out of my shell and entered the world of John Adams High School.

My first year was spent trying a few gingerly flights into new areas of clubs, athletics, and class activities.

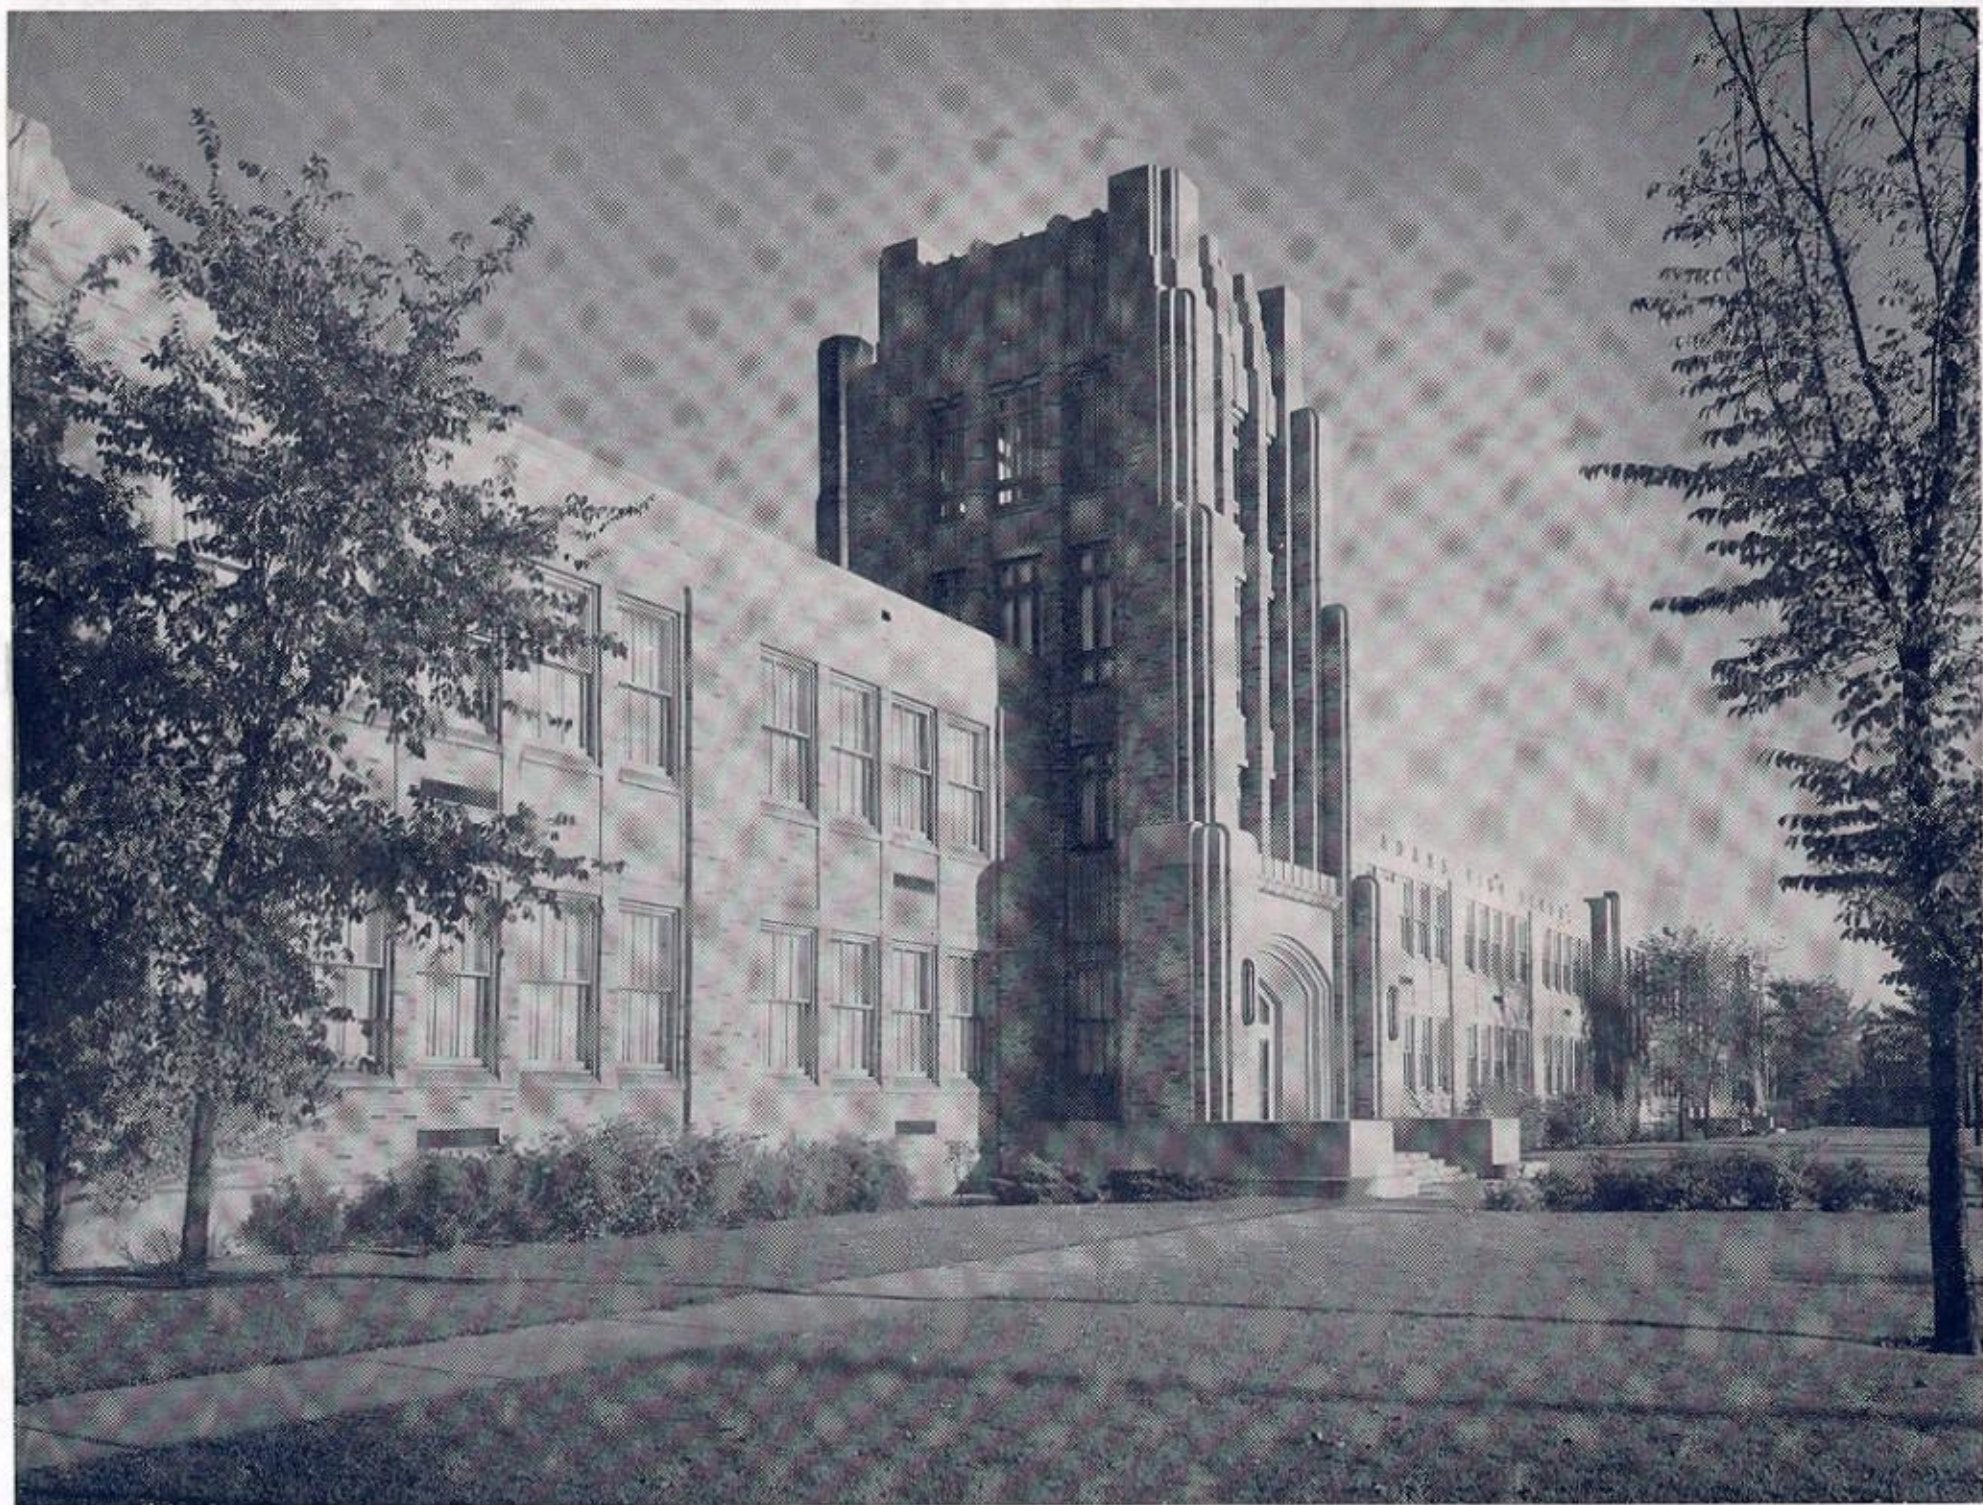

When I returned as a junior, my wings had a few more feathers and I helped my class with two successful activities: the all class Christmas party and "Stardust Showboat." When spring 1951 rolled around and I received my class ring, I could hardly wait for my senior year to begin.

Ultimately as a strong and high-soaring senior eagle, I gave my school and my class much spirit and enriched my school by the projects I planned: Full Moon Frolic and the first Student Directory.

Now after my three incomparable years at Adams, I am truly ready to spread my wings and fly to great horizons.

DEBATE

The activities of the Debate Club throughout the year are extemporaneous speech contests, round table discussions, and a St. Joe Valley Conference Debate. The debaters attended an annual Indiana Debate Clinic two day conference at Purdue which was held on November 30 and December 1. The topic for this year was, resolve: All American

citizens should be subject to conscription for essential service in time of war.

The club also operates the concession stands at the basketball games. They finished this season with an after dinner speaking contest and banquet.

M. Jones, secretary-treasurer; J. Jacobson, 1st sem. president; T. Demler, 2nd sem. president; P. Parker, historian; J. Misch, program chairman; I. Schrager was absent for the picture and he is vice-president.

LIBRARY CLUB

We as students greatly benefit from the hard work of the members of the Library Club. The purpose of this club is to keep the library functioning properly. This includes filing

cards, mending books, doing reference work, charging out books, checking mail and other various jobs. Their service to the school is great and appreciated by every student.

B. Inks, vice-president; P. Lee, president; B. Reinecke, secretary; J. Thomas; J. Hatch, treasurer; J. Koontz.

B. Thompson, C. Wintz, J. Thomas, J. Shaw, J. Koontz, B. Demler, B. Inks, P. Lee, B. Young, J. Hatch, B. Reinecke, P. Henery. Front: T. Gerber.

SCREEN CLUB

The Screen Club, which is purely a service organization, has done a wonderful job this year in making it possible to have classroom visual education. The members of the club learn the fundamentals of the projector and they must

be willing during any study hall to show a movie in any class which desires it. They also must see that they get the equipment ready, run the movie, and put the machine and films in order after the movie has been shown.

Standing, left to right: C. Swintz, L. Rex, D. Eberly, B. Clark, J. Vargo, B. Beal, J. Inks, J. Maurer, J. Hanguel, D. Eberly. Seated: F. Kronewitter, T. Smith, B. Waechter.

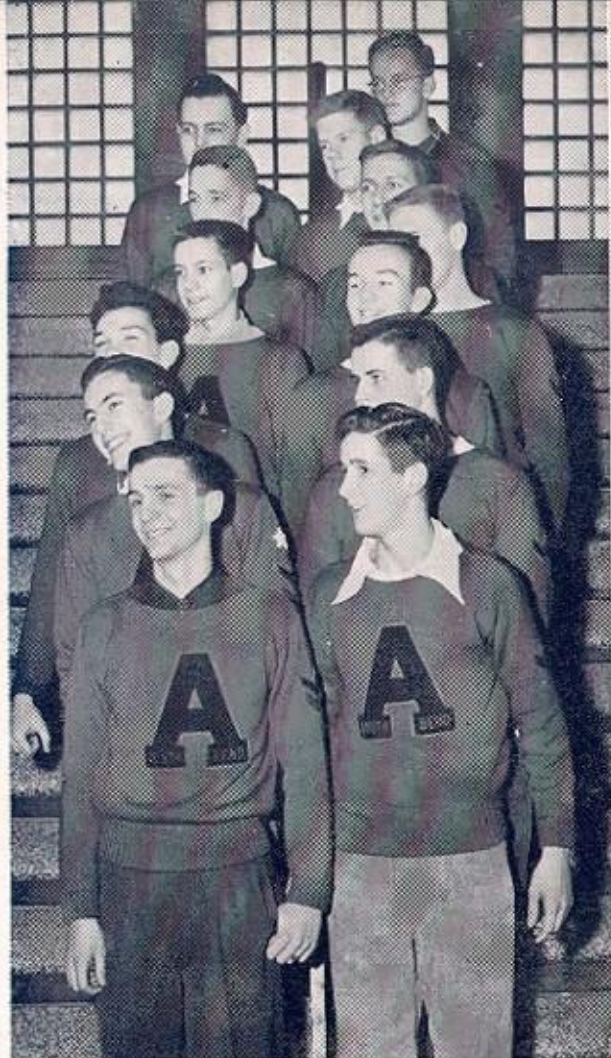

Officers: D. Wallace, R. Stouffer, P. Twigg, C. Richards, president; M. Wood.

USHERS

The Ushers' Club is becoming increasingly popular with the boys at Adams. Several of the projects which the boys have handled this year were basketball games, Christmas Service, Sectionals and Regionals, School Plays, Civic Music, and the South Bend Symphony. The boys must meet

certain standards in order to remain in the club and I think this year the boys have all worked hard to keep up to these standards. The service to the school this year has been greatly appreciated by the students.

MONOGRAM CLUB

The Monogram Club's purpose is to help create better sportsmanship and school spirit, both of which have been successfully carried out by this year's members. They gave their annual dance, the Sox Hop, and also sponsored all

the awards assemblies this year. Another duty performed by this able organization was the presenting of an award to the most valuable player in each of the four major sports.

PREP GLEE CLUB

The Prep Glee Club is something new this year and has turned out to be a very successful organization. It was organized for all the underclassmen who wanted to be in Glee Club but the quota was already filled. This club has done a wonderful job for the first year and their one out-

standing performance was the presentation of the Easter program. Their able officers, Kent Keller, president; and Myrna Cortz, vice-president; have provided them with satisfactory leadership throughout all their activities.

CHEERLEADERS

This year the Adams students are especially proud of their cheerleaders because of the wonderful school spirit they have administered through their many activities and works.

Their endless vitality at the football and basketball games has certainly given the student body a new attitude toward their teams.

STUDENT COUNCIL

The Adams Student Council represents the student body in school problems and activities. The purpose of the Club is to co-ordinate student activities and also bring closer co-operation between students and faculty members. Some of the projects this year have been the sponsoring of a queen

at the Riley-Adams basketball game, sponsoring the assemblies committee, and providing for entertainment at noon hour for the people in the little theater. They have also tried to promote better relations with other schools.

RED CROSS

The John Adams chapter of the American Junior Red Cross has done more than their share of beneficial work for our school and our community. Besides sponsoring a Tuberculosis seal sale in our home rooms, they sell seals at the banks down town. They also gave a party for the old peo-

ple's home, sent albums of John Adams activities and classes to foreign countries, and some of the members of this fine organization worked at the South Bend Osteopathic Memorial Hospital.

TOWER

We need not introduce the Tower to you, for all the students at Adams are conscious of the paper. Their job of bringing important school and outside news to the students has been efficiently carried out this year with Beth Hodge

serving as Editor-in-Chief. Each year the Tower has two special issues which have both been done very well this year, the Christmas and the Graduation issues.

The main purpose of the Drama Club is to acquaint students with dramatics. The club has periodic meetings about different phases of dramatics and things of interest to those interested in dramatics. This year the members took their annual trip to Chicago to see the stage production of "Guys

and Dolls." The main activity of the year was the production of "Polly with a Past" which was very well done. They also aided in the success of the spring production of the operetta, "Serenade."

G. A. A.

The G. A. A. Girls' Athletic Association, provides athletics suitable for girls. They have their meetings at noon and all those interested can participate in softball or speedball when the weather is warm, and volleyball, tumbling, basketball, or dancing in the winter. The G. A. A. girls have

had the opportunity to operate and manage the concessions during the football and basketball seasons, which is a great help to the student body and to the girls themselves. The organization builds the character of the girls in citizenship and sportsmanship.

Y-TEENS

The purpose of the Y-Teens organization is to build fellowship with girls of all races, religions, and nationalities. The members of the club try to achieve a better knowledge of God. This year they sponsored a dance after the Adams-

Elkhart basketball game and they also participated in a joint Y-Teen program to send candy to children of other countries. The group from Adams sent candy to the Japanese children.

INSTRUMENTAL MUSIC

Instrumental music offers pleasure to the students of John Adams. This year the band gave us an especially good season with its many appearances. Their aid at pep assemblies, football and basketball games has surely spurred us on with enthusiasm. The dance band also contributed to the

success of Stardust and other school dances with their playing of popular songs. Their entire organization as well as their soloists represented us in a manner in which we can be proud at their trips to state and city competitive meets, for they brought back many awards and honors.

ALBUM

This book, good or bad as it may be, is a product of much thought, planning, and hard work, plus lots of good times, fine friendships, and invaluable experiences. All of us on the staff firmly believe that the 1952 Album displays the

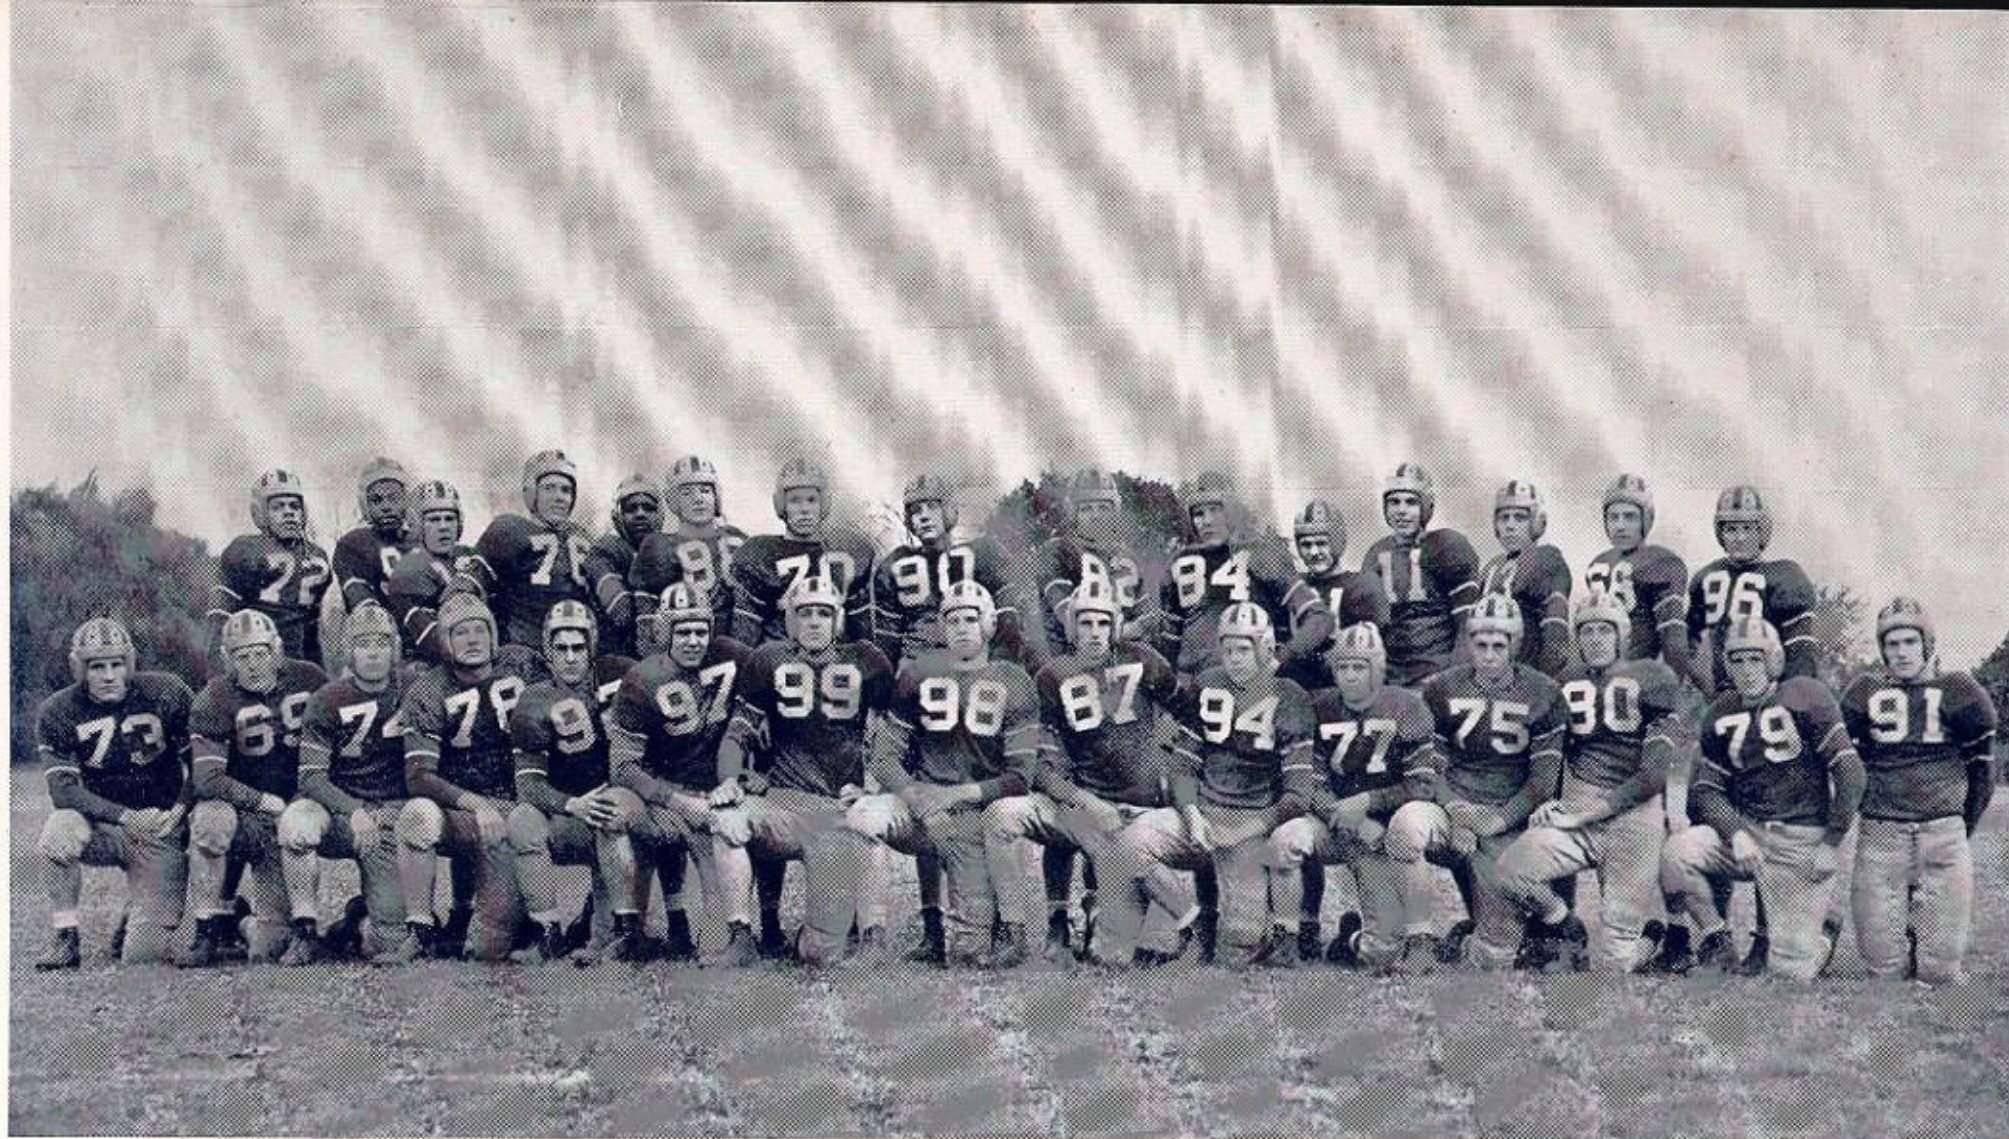

best work that we could do within the limits of time and money. We hope that you, our readers, agree that this is a good representation of a year in John Adams High School.
